

## The Odyssey OneSource Solution

Odyssey OneSource is dedicated to helping businesses streamline employer administration, minimize employer liability, and improve employee productivity by providing top-quality employment administration services, combined with world-class HR expertise.

Odyssey provides a wide range of HR services, including payroll and benefits administration, workers' compensation, training and development, and employer risk management.

Founded in 1990, Odyssey is a privately owned company headquartered in Dallas/Fort Worth with offices in Houston and Oklahoma City.

Our passion is to help businesses optimize employee productivity, enhance administrative processes, and maximize business value.

Over the years, we have built a solid reputation for reliability, integrity, trust, and excellence in everything we deliver.

## Odyssey's core values:

**Reliability:** We maintain our quality of work and dedication to clients by producing consistent and predictable results, no matter the circumstances.

**Integrity:** Odyssey brings the highest level of professionalism. We take ownership and go the extra mile to make a difference in all we do. We take pride and we are passionate about our mission. We communicate, follow through, and work hard to keep our promises.

**Excellence:** We consistently exceed client expectations by delivering first-class service and listening to our clients' needs.
